

ABOUT BON APPÉTIT

UNW partners with Bon Appétit Management Company to provide dining services for our community.

- successful at keeping student meal plan costs low
- responsive to the needs and desires of our students
- great management staff that supports who we are, our mission, and our dining philosophy exceptionally well
- high employee performance standards as well as strong safety and cleanliness standards
- standard for food quality is top in the industry

A sustainable future for food service means flavorful food that's healthy and economically viable for all, produced through practices that respect farmers, workers, and animals; nourish the community; and replenish our shared natural resources for future generations.

— Bon Appétit Management Company's definition of sustainability

Bon Appétit follows many kitchen principles to assure the highest level of food quality and the most flavorful, nutritious options for our guests.

Our culinary standards can be found online at:
northwestern.CafeBonAppetit.com/wellness

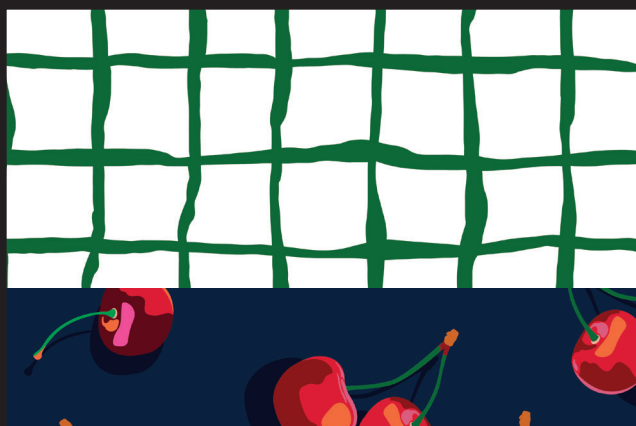

MEDICAL DIETARY ACCOMMODATIONS

Bon Appétit is able to accommodate most medical dietary needs. We have an extensive menu without gluten-containing ingredients program and the ability to work with other food allergies and restrictions.

To initiate conversation and start the process to determine the best way to meet your needs, please contact:

WELCOME TO DINING SERVICES AT UNW

Dining Services are a major part of campus life at Northwestern, serving thousands of meals each week to our students, faculty, staff, and visitors. We invite you to join us. Experience great food and share great company!

Our dining program is intentionally structured to support the philosophy that dining is a big part of building community and fellowship with one another.

To help our students more fully enjoy all of the dining options that are offered, meal plans have been designed to provide maximum flexibility. Items are offered a la carte in all of our dining locations. Students use dining funds, a declining balance system, to make purchases in the location and at the time they prefer.

WHERE TO EAT

For hours, menus, recipes, wellness tips, and more...visit
NORTHWESTERN.CAFEBONAPPETIT.COM

THE DINING CENTER

Located on the second floor of Billy Graham Center, **THE DINING CENTER** offers seasonal choices for breakfast, lunch, and dinner. Stations throughout the café offer a wide variety of food, from chef-carved meats with home-style casseroles to creative vegan entrees to pan-Asian cuisine. The café also features two soups made in house daily, an extensive fruit and salad bar, and a selection of outstanding made-from-scratch desserts.

THE HERITAGE CAFÉ AND COFFEE SHOP

Located on the main floor of the Billy Graham Center, **THE HERITAGE CAFÉ** offers Tiny Footprints Coffee, specialty drinks, blended smoothies, fresh baked pastries, premium Chocolate Shoppe ice cream, as well as convenient grab 'n go sandwiches, wraps, and salads.

EAGLE'S NEST

Located in Robertson Hall, **EAGLE'S NEST** features a variety of fresh options as well as snacks, and an expanded Convenience Store. Visit the grill for burgers, fries, chicken, and fish sandwiches. The Eagle's Nest is also a popular place to stop for a freshly made smoothie, weekend and late night snacks, or ice cream.

HOW DO OUR MEAL PLANS WORK?

- Food purchases are a la carte.
- Purchases can be made in any of our three dining locations on campus.
- Each student has a Dining Fund balance from which purchases are deducted much like a debit card.
- With a declining balance, a la carte system, it is important for students to plan how to use their meal plan. The average cost for a meal runs between \$9-\$11. However, there are many options available for less.
- The student's ID card is what they use to access their Dining Funds at the register.
- A 20% discount is applied at the cash register when using Dining Funds.
- Sales tax is not charged on purchases made with Dining Funds.
- Dining Funds can be used at any time during the semester.
- Additional Dining Funds can be purchased in increments of \$100 at any time during the semester. These funds have all the same benefits of the student's original dining funds.
- Unused Dining Funds from Fall Semester will only carry forward if a student purchases another \$141 plan for Spring. If a Spring plan is purchased, unused funds from fall will carry forward for use during the Spring Semester, and if a student is enrolled in class during the summer, the funds will carry forward to summer. They do not carry to the next school year.

PSEO STUDENT MEAL PLAN OPTIONS

- Students may pay for items using credit card or debit card. Sales tax (7.375%) will be charged when making purchases with credit card or debit card.
- Students may purchase a PSEO meal plan. The cost of the plan is \$141 for the semester. **\$26 is for their dining fee and \$115 is dining funds.** The dining fee covers administrative, equipment, and facility costs for the college and allows a 20% discount when purchasing food items with their dining funds. The dining funds are what a student uses to purchase food items. Also, when a student chooses a meal plan, no sales tax (7.375%) is charged.
- If you wish to purchase a plan, please email mealplans@unwsp.edu from your Northwestern email. Please include, "PSEO Meal Plan" in the subject line.
- PSEO students who elect to have a meal plan will have meal plan charges billed to their student account.

• What if \$115 in dining funds is not enough?

If a PSEO meal plan is purchased, a student can add dining funds at any time during the semester in increments of \$100. The charges will post to your Student Account. These funds carry all the same properties as the original \$115 from the student's meal plan. Adding funds can be done from myUNW, VIEW DINING ACCOUNT.

DINING FEE – this fee covers utility costs, facility maintenance costs, equipment purchases and repairs, and administrative costs for our dining program.

DINING FUNDS – these are the funds students use to purchase food in any of the dining locations on campus. Any student with a meal plan can add dining funds at any time during the semester in increments of \$100, without paying an additional dining fee.
