Our catering team will work with you to design a custom event, perfectly tailored to your needs to inspire and create a memorable event for your guests.

EXECUTING YOUR VISION

To start the catering process, please contact our catering manager, Shawn Chambers, at (812) 877-8554 or email shawn.chambers@cafebonappetit.com.

Please have the following information ready when creating the order: date, event start time, event end time, number of anticipated guests and location for your function, as well as the name, telephone number and billing information for the on-site contact.

We ask that all catering orders be finalized one week prior to the event. We will do our best to accommodate last minute requests, but please note that late requests may be subject to additional charges and/or limited menu offerings.

EVENT GUARANTEES & CANCELLATIONS

Final guest count guarantees must be received at least 3 business days prior to the event. Billing of all food, equipment rental, taxes and service charges will be based on the guaranteed or actual number of guests served, whichever is greater. If the guarantee is not received within the time requested, billing will be based upon the original count given at the time the order is placed.

We require all cancellations to be in writing and received by our office 3 business days prior to the event. Any event that is not cancelled within the 3 day period will result in 50% payment of the total amount of the contract. Events cancelled within 24-hours of the start time will result in 100% payment of the contracted amount.

FOOD SAFETY POLICY

We try to plan your food quantities carefully, but sometimes there is excess food and/or beverages. Due to state health regulations, food and beverages may not be taken from the event and will not be packaged for removal off premise.
