

MEAL PLANS 2021-2022

As Colorado Christian University and Bon Appétit Management Company welcome new and returning students to campus in the era of COVID-19, we're introducing many new changes designed to ensure that you have the best dining experience possible. We'll of course be nimble and ready to implement new measures to keep our guests and our teams safe, but while safety is a key priority, it is not our only one. We think we've got a great program planned for you, but rest assured we'll be refining and adapting to make it even better as we go along.

- Weekly meal swipes do not roll over meaning any that are not used by midnight Friday disappear.
